Glasses Not To Make You See Better

We fit glasses for comfort, rest and ease of eye, more often than for actual improvement of vision.

Ask a dozen persons why they wear glasses, and not two of the twelve will reply: "To make me see better." The answer will usually be:

"To cure my headaches."
"To relieve my eye pains."
"To benefit my nerves."

HOLIDAY PARADISE

The Holiday number of the Paradise of the Pacific is one of the most artistic numbers that has ever been sent out from the presses of Editor Langton. The cover is attractive and the illustrations throughout the number are new and give a very competent review of Honolulu and many of the outside towns. The feature of this year's Paradise is an article on the Merchants' Association accompanied by photos of officers and members. Tourist promotion comes in for considerable attention and illustrations are of a character that should certainly appeal to travellers seeking sub-tropical mountain and plain and comfortable hotels. The advertising section printed in two colors completes a most artistic combination of the printers art which is a credit to the publishers and the Territory.

ARRESTS AT WAIPAHU.

Deputy Sheriff Jack Fernandez arrived from Ewa Tuesday. He reports that last Sunday he arrested Wong Sa, owner of a big Chinese store at Waipahu, for selling liquor without a license. The last case came up at the District Court at Ewa, but was continued until Saturday.
